**CLOVIS, CALIF.,—April 27, 2020,** The Central California Conference of Seventh-day Adventists (CCC) continues to monitor the COVID-19 status and information from the appropriate agencies, and is hereby directing and requiring that:

- (1) All CCC churches (including companies and church plants) continue to cease all gatherings for church-related events at church locations until further notice by the Conference Administration (pending the lifting of state and local government executive orders).
- (2) All CCC schools continue to cease all gatherings for school-related events at school locations until further notice by the Vice President for Education (pending the lifting of state and local government executive orders pertaining to school education).
- (3) As for our preschools, they will each follow the directions of the federal, state, county, Conference Education Department, and local Preschool Board to determine the operational status of preschools.

As we face the ongoing challenges of the global Coronavirus (COVID-19) pandemic, the above actions have been made with much consideration for the health and safety of our members, students and families, and the people of the communities in which we live and serve.

Thank you for your prayers and support as we move closer to the soon return of our Lord and Savior Jesus Christ.
