The Adventist Encounter Bible Curriculum is a seamless curriculum that is intentional about exploring big-picture, spiritual concepts with the goal of making a difference for eternity. This curriculum uses the four walls of the classroom to help build a life-long relationship with Jesus Christ, using the Bible as the textbook and source of truth. It explores and develops personal spiritual experience and reasons for faith, lifestyle choices, and ethical decision-making from an Adventist worldview, all the while nurturing interpersonal relationships and service to others.
